

Duncansville Detox and Inpatient Treatment Center

Pyramid Healthcare's Detox and Inpatient Treatment Center in Duncansville provides a trauma informed, person centered treatment model for men and women in search of meaningful, long-term recovery.

In addition to evidence-based treatment, clients participate in scheduled groups, individual counseling, and a variety of services that support their transition to a sober lifestyle in a campus-like setting.

What We Offer

- » Professional drug and alcohol and dual diagnosis treatment recommendations
- » Individualized treatment options, activities, amenities, and housing
- » Medically-monitored care ensures a safe, comfortable withdrawal management experience
- » Case management and support services coordinates aftercare and engages client in ongoing treatment
- » Individual, family, and specialized group therapy
- » Licensed medical professionals, psychiatrists, and registered dietitian on staff
- » Medication Assisted Treatment (MAT) maintenance and physician approved induction

Medication Assisted Treatment (MAT)

We educate, induct, and maintain clients on all forms of Medication Assisted Treatment (MAT) including Suboxone®, Sublocade®, Vivitrol®, and Methadone. Physician approval is required for induction while in treatment.

Life Skills Program

Life skills specialists and clinicians collaborate to provide the client with effective guidance and instruction on topics such as financial management, job preparation, communication skills/social etiquette, parenting, coping strategies, core skills, co-occurring groups, and the appropriate utilization of community resources with the goal of functioning productively in society free of drug and/or alcohol dependence.

Dual-Licensed Healthcare Professionals

Duncansville's fully integrated rehabilitation program is dual licensed (RTFA certified by OMHSAS) and led by certified co-occurring disorders professionals in the administrative, supervisory, and clinical positions to diagnose and address client addiction aggravated by mental health conditions including depression, anxiety, bipolar disorder, and mood disorders.

Individualized Educational Tracks

Duncansville offers an array of additional educational tracks that offer clients the opportunity to individualize their own treatment experience:

- » Parenting
- » Relapse Prevention
- » Anger Management
- » Gender Specific Trauma Group
- » Nutrition

Additional Activities

Clients can enhance their structured treatment experience by participating in a variety of creative therapies, including:

- » Creative Arts Expression
- » Yoga
- » Drumming Circle
- » Alumni Guest Speakers
- » Community Service Events
