## **Hammonton Detox and Inpatient Treatment Center**

Pyramid Healthcare's Detox and Inpatient Treatment Center in Hammonton provides a trauma informed, person centered treatment model for men and women in search of meaningful, long-term recovery.

In addition to evidence-based treatment, clients participate in scheduled groups, individual counseling, and a variety of elective groups that support their transition to a sober lifestyle in an expansive setting.

### **What We Offer**

- » Medically supervised detox
- » Dual diagnosis treatment
- » Medication Assisted Treatment (MAT)
- » 12-step program
- » Faith-based recovery
- » Trauma informed care
- » Motivational interviewing
- » Individual counseling
- » Group therapy
- » Anger management
- » Elective group options
- » Outdoor recreational activities

## Adult Withdrawal Management

Pyramid Healthcare's Withdrawal Management Program ensures a safe, medically-supervised withdrawal from alcohol and other substances in a comfortable, non-hospital setting. Medical and psychiatric care is provided and nurses and counselors are on-duty around the clock, seven days a week. Services provided include:

- » Assessment and intake
- » Crisis intervention
- » Counseling
- » Continuing care planning
- » Appropriate referral

## Adult Short-Term Residential Care Services

Pyramid Healthcare's Short-Term Residential Care program provides a variable length of stay based on the implementation of personalized, clinically driven treatment plans. Programs include:

- » Medical assessment and management
- » Individual and group counseling
- » Targeted education
- » Care for families and significant others
- » Case management
- » Discharge and aftercare planning
- » Appropriate referral and follow-up
