York Inpatient Treatment Center

For many individuals suffering from substance abuse, inpatient treatment provides a safe and secure environment to take the first steps towards recovery. Adults in our inpatient programs live on-site in a structured setting where they receive education, therapy, and medical care to assist them in working through personal issues and ultimately overcoming their addiction.

What We Offer

- » 36 residential beds for males 18+
- » Short and long term treatment programs
- » Co-occurring disorders treatment program
- » Dedicated and compassionate staff committed to providing tools for long term recovery
- » Holistic approaches toward healing including yoga and art expression
- » Incorporation of traditional 12-step fellowship, SMART recovery, and Refuge Recovery

We do not discriminate against any patient in relation to admission, treatment, discharge, continuing care or employment based on race, color, religion, creed, national origin, sex, disability (including limited English proficiency) or sexual orientation. We offer priority admission to at-risk populations including IV drug users, adolescents, women, women with children, veterans, overdose survivors and preferential treatment services to pregnant women. Pyramid Healthcare, Inc. employees and the public may contact the Commission on Accreditation of Rehabilitation Facilities to report any concerns or register complaints about a CARF accredited health care organization by calling (866) 510-2273 or by email at feedback@carf.org.
