

Hammonton Detox & Inpatient Treatment Center

Adult Withdrawal Management Services

Pyramid Healthcare's Withdrawal Management Program ensures a safe, medically-supervised withdrawal from alcohol and other substances in a comfortable, non-hospital setting. Medical and psychiatric care is provided and nurses and counselors are on-duty around the clock, seven days a week. Services provided include:

- Crisis intervention
- Assessment and intake
- Counseling
- Continuing care planning
- Appropriate referral

Adult Short-Term Residential Care Services

Pyramid Healthcare's Short-Term Residential Care program provides a variable length of stay based on the implementation of personalized, clinically driven treatment plans. Programs include:

- Medical assessment and management
- Individual and group counseling
- Targeted education
- Care for families and significant others
- Case management
- Discharge and aftercare planning
- Appropriate referral and follow-up
