JUNE 2019

Thank you to everyone who came out to the Rally in the Valley! The participation was beyond remarkable and truly changed the dynamics of our recovering community. Together we helped educate and inspire people across the region who are directly and indirectly affected by addiction. Over 3,000 people demonstrated and witnessed that recovery from substance use disorder is possible, while highlighting that people in recovery have fun and embrace life.

Testimonials:

Pyramid Quakertown was a wonderful program and the staff were very helpful. Thank you. - Jason B.

I'm not going to lie – I was a little nervous on my way to Pyramid Langhorne but it was nice how welcoming everyone there was. It didn't take me long to feel at home. The place represented everything I had been looking for. For the first time in a long time, I looked in the mirror and liked what I saw. All I need now is a pair of sunglasses because my future looks so bright! – Charles K.

As a recent client of Pyramid Lehigh Valley, I came in broken. The disease of addiction broke my spirit and jaded my heart. Through the compassion of the staff and my peers, I started to “feel” again and with some clarity of thought, I started to see the blessings of my recovery. Pyramid saved my life and gave me a new beginning for my children and myself. I am forever grateful for this place. Something magical happens here! – Kyrie N.

Every single person helped me more than they even know. I love this place because it saved my life. Thank you to all staff. - Jason M.

Langhorne staff is very compassionate in helping their clients with their active addictions. I would recommend this treatment facility to anyone who struggles with addiction. – Joe N.

The Pyramid Lehigh Valley staff and the program has saved my life. I took a leap of faith and was rewarded for trusting the people here. I will never forget this place and I have every intention of staying involved with the Alumni Association. I can only keep what I have by giving it away. I am forever grateful. – Joshua N.

I walked through the doors of Pyramid Quakertown sicker than ever and ready to leave and relapse. I am so thankful I did not do that. I have learned so much about myself and my motivation took a full 360. Today, I can genuinely say I love myself. Thank you to all staff and counselors as well as medical staff. They helped change my life and I am forever thankful. If I can do it, anyone can. – David R.

During my 90-day stay at Pyramid Langhorne, I felt very comfortable with the treatment I received. The staff were very respectful and informative. The hospitality and diversity within the program was a main reason why I was able to adapt and receive the information I needed to help me start my recovery process. I now have 4 months clean from both drugs and alcohol and that is just the start of my journey. – Derrick B.

The Pyramid Lehigh Valley staff are some of the most helpful people I have met in my recovery journey. They go to any lengths to help you succeed. The Long-Term program was the best thing that could have happened to me. Thank you for this opportunity for a new chance at life. – Cory H.

Treatment is great at Pyramid Bristol. It keeps me clean. – Roger M.

Pyramid was an awesome experience. The staff were great and I really worked on myself. I did 90 days and got a lot out of this place. The time flew by!
